It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

¹ [Chapter 676 of Livingston & Smith, where the act is printed in full. Chapter 676 of Van Schaack, where the title only is printed. The duty of excise, continued by chapter 933, by which the currency of the bills emitted by this act is also continued until the year 1767.]

An Act further to Continue the Duty of Excise, and the Currancy of the Bills of Credit Emitted thereon, and to Strike Some New bills for Exchanging Such old ones, as are or may be unfit to Circulate.

[Passed, October 25, 1739.]

WHEREAS in and by an Act of General Assembly, Intituled an Act for Laying an Excise on all Strong Liquors retailed in this Colony, Passed in the Twelfth year of her Late Majesty Queen Anna, there was Granted to and for the Uses in the Said Act perticularly mentioned a Duty of Excise on all Strong Liquors Retailed in this Colony, for the Term of Twenty Years ending the first day of November which was in the year one Thousand Seven hundred & Thirty Four. And by a Subsequent Act passed in the fourth year of his late Majesty, the Said Duty was continued for the Same uses & Purposes until the first Day of November in this present year one Thousand Seven Hundred & Thirty Nine

AND whereas in consequence of the uses Intended & Directed by the above Mentioned Act, and upon the money to arise thereby, There were by one Act, commonly called the first long bill, Intituled an Act for the Paying & Discharging the Several Debts, & Sums of Mony claimed as debts of this Colony, to the Several Persons therein Named, and to make & Enforce the Currency of Bills of Credit to the Value of Twenty Seven Thousand Six Hundred & Eighty pound for that Purpose, also to make Void all Claims AND demands made or pretended to be Due from this Colony before the first Day of June One thousand Seven Hundred & fourteen, and to prevent this Colony from being in Debt for the future, Passed in the Thirteenth Year of her Said Majesties Reign Struck Issued & made Currant in this Colony. Bills of Credit to the above Mentioned Value of Twenty Seven Thousand Six Hundred and Eighty Pounds, and by another Act commonly,

called the Second Long Bill Intituled an Act, For paying & charging Several Debts due from this Colony to the Persons therein Named, and for Raising and putting into the hands of the Treasurer of this Colony, Several Quantities of Plate to be applied to the Publick & Necessary Uses of this Colony & to issue Bills of Credit to the Value of Forty one Thousand Five Hundred & Seventeen Ounces & a half of Plate for that purpose, Passed in the Said fourth year of his Said late Majesties reign, Bill of Credit to the before mentioned Value of Forty one Thousand Five Hundred and Seventeen Ounces and a half of the Spanish Coin of the Sivil Mexico or Pillar Plate.

AND whereas all the aforesaid Bills of Credit were actually Struck Emitt'd & Payd to the Several Persons and for the Several uses Directed in the Two Acts last mentioned; and tho' it ought to be presumed that at the time of the Passing of the aforesaid Acts, it was conceived or computed that the Fonds appropriated for the gradual sinking of them were Sufficient to do it all before the Time Limited for that purpose, yet it do's now appear that there will be a very considerable Deficiency to answer the same, END notwithstanding that in the Said Second Long Bill of Credit was (for the same purpose) added to the Excise an additional Duty on Wine & Rum for the Term of Seventeen Years, which Expired the Twenty Third day of December One Thousand Seven Hundred & Thirty four.

AND whereas Such Deficiency as aforesaid, if not Timely provided for may of the one hand depreciate the good Reputation which all the Bills of Credit of this Colony have hitherto served, and of the other prove a vast prejudice if not a great Loss to a great number of the good People of the Colony who are in the possession of Such Bills, tho' many of them received the same by the Said two long Bills, and probably were unborn at the time the Said two long Bills, and probably were unborn at the time the Said two long Bills passed.

AND however the Several Articles arose which were provided for in the Said two Acts, all & every one of them become Real Debts of the Colony, as well by the express words of those Acts here as by the Royall approbation of the above mentioned Acts duly Signify'd to this Government.

AND as the Duty of Excise was altogether insufficient to discharge the Publick Debts of this Colony, So the same was declared in the Act which Granted the Same, that the monies arising by virtue thereof dur'd

Should be apply'd to & for the Paying and Discharging the Publick Debts of this Colony, Such & in Such manner as Should be directed & Ascertained in an Act of General Assembly for that purpose thereafter to be made, It is therefore conceived just & reasonable that the before mentioned Deficiency Should be Suitably Supply'd by the Duty of Excise, as that Duty was Intended for that very purpose; and that it is not Less Just & Reasonable to preserve & continue the Currancy of the Remaining Bills of Credit Issued upon that Fond.

The General Assembly therefore humbly Pray it may be Enacted, & be it Enacted by his Honour the Lieutenant Governour the Council & the Said Assembly, and it is hereby Enacted by the Authority of the Same, that the herein first mentioned Act intituled an Act for Laying an Excise on all Strong Liquors retailed in this Colony, Shall from the first Day of November next Ensuing, to which time the Said Duty of Excise was Granted & continued by the herein before mentioned Act passed in the Year One Thousand Seven Hundred & Seventeen, Be remain & Continue of Full force & Virtue, and every clause Article & thing therein contained, to all Intents constructions & purposes whatever until the first Day of November, which will be in the year of our Lord Christ one Thousand Seven Hundred & Fifty Seven.

BE it further Enacted by the Authority aforesaid, that when So many of the Bills of Credit Issued in the Years One Thousand Seven HUNDRED & fourteen & One Thousand Seven Hundred & Seventeen, and of those Exchanged or to be Exchanged in lieu of Them, are Sunk or Lye ready to be Sunk on the first Day of November next Ensuing, as the Fonds applyd for that purpose will then amount to, all the Remainder of the Said Bills of Credit, as Likewise all those which by Subsequent Acts have been Exchanged in Liew of Such of Them as were Shattered Torn & Defaced Shall from the time They at present stand Limited to, Be continue & remain Currant in all Payments and in the Treasury, as fully & Effectually to all Intents constructions & Purposes whatsoever, as if the currancy of the Said Bills of Credit had been originally Enacted to continue until the Said first Day of November which will be in the aforesaid year One Thousand Seven Hundred & Fifty Seven.

BE it further Enacted by the Same Authority that the Several Sums of mony to arise by means of the Excise now continued, Shall be Payd to the Treasurer of this Colony, at the Respective

Times & in the manner as in and & by the afore Mentioned Acts are appointed & Directed, and that all the Said Several Sums of Money Shall be Employed to & for the Gradual Sinking & cancelling of the Bills of Credit hereby continued to remain Carrant, pursuant to the Acts by Virtue of which They have been Issued, with this Difference only, that Such cancelling Shall be done & performed Gratis & but once in every year during the Continuance of this Act, as herein after is Directed.

AND whereas a Considerable quantity of the aforesaid Bills of Credit paid to the Treasurer on Account of the Excise, do now remain in the Treasury uncanceled, by reason that most of the Persons appointed by the before mentioned two Acts, to be present at Such cancelling are since Dead.

IN ORDER therefore to prevent such delays for the future. BE it Enacted by the Authority aforesaid, That in the Second Week of January next Ensuing, the Treasury of this Colony, in the presence of the Members of the General Assembly, for the City & County of New York, for the time being or the greater Number of Them, Shall cancell & Destroy all Such of the Said Bills as are now Lodged in his hands for that Purpose, together with Such others, as Shall by the Said Second week in January next be paid into the Treasury, upon the Same Account, taking an Exact List of the number & Value of the Said Bills before They are cancelled, and distinguishing therein what part are original Bills, & what part have been or Shall be Exchang'd in Liew of Such, and being cancelled & destroyed, The Said Members Shall give a Certificate of the number & Value thereof under their hands to the Treasurer: and in every Second week in January thereafter, during the continuance of this Act, The Treasurer & the Said Members for the time being are to act in like manner: And what the Said Members or the greater number of Them Shall do & certifie in this behalf shall be good & valid, & be a Sufficient Voucher & Discharge to the Said Treasurer for so much as Shall in Such Certificate or Certificates be mentioned to have been Cancelled and Destroyed.

AND be it further Enacted by the Authority aforesaid, That If at the Expiration of the time Limited, in this Act for the continuance of the Said Excise, the produce thereof Shall amount to more than will make up the Deficiency herein before mentioned, all Such overplus Shall remain in the Hands of the Treasurer for the Time being, until the Same Shall be applyd to the use of this

Colony, in Such manner & to Such Purposes, as by Act or Acts of the General Assembly hereafter to be passed Shall be Ordered & Directed & not otherwise.

AND whereas most of the Aforesaid Bills of Credit Issued in the years one Thousand Seven Hundred & Fourteen and one Thousand Seven Hundred and Seventeen, as well as those which by virtue of other Acts have already been Exchanged in Liew of Them, are by the Length of time They have passed Currant, become So Shattered Torn & Defaced, that They are hardly fit to pass any Longer in Payments. AND as for this reason Such Bills have chiefly been paid into the Treasury on account of Fonds appropriated for the Support of this Government, So the Several officers thereof, when the Said Support Shall be applyd for the Payment of their Sallaries, are like to Receive the Same in Such Bills as are very unfit to Circulate.

AND to remedy these Difficulties, as well as to prevent THE many Inconveniencies which in consequence would Result from Them Be it Enacted by the Authority aforesaid, that there shall forthwith after the Publication of this Act be Printed Signed & put into the Treasury, to be Exchanged from time to time for Such unpassable Bills as aforesaid, and to and for no other use or purpose whatever, New Bills of Credit to the Value of Ten Thousand pounds in the Several Sorts & of the Several Values here under Mentioned, That is to Say.

Two Hundred Bills of Ten pounds each
 Four Hundred Bills of Five pounds each
 Five Hundred Bills of Three pounds each
 Five hundred bills of Two pounds each
 One Thousand Bills of one pound or Twenty Shillings each
 Three Thousand Bills of Ten Shillings each &

BE it further Enacted by the Authority aforesaid, that the before named Signers or the greater number of Them, Shall and hereby are Impowered, Directed & Required, upon the Delivery of the Said Bills by the Printer thereof, to administer the Oath to him, and he is hereby required to take an oath in the words following

THE TWENTY-SECOND ASSEMBLY.

Fourth Session.

(Begun June 30, 1740, 14 George II, George Clarke, Lieut. Governor.)

[CHAPTER 693.]

[Chapter 693 of Livingston & Smith and Van Schaack, where the title only is printed.]

An Act for Transporting & Victualing of Volunteers Intitled in this Colony, to Serve in the Expedition therein mentioned.

[Passed, July 12, 1740.]

WHEREAS it hath been Signified by his Majesties Principle Secretary of State to the Lieutenant Governour of this Colony, That his Said Majesty, was determined in the Prosecution of the Just and necessary, War which he has declared against the King of Spain by all Possible means to distress and annoy the Spaniards in the most Effectual manner, and the making an Attempt upon Some of their most considerable Settlements in the West Indies, and for that Purpose has

ordered a Large Body of Troops with a Sufficient Convoy of Ships of Warr to a proper Place to be appointed for that Purpose in the Said West Indies, to be joined by the Squadron already there under the command of Vice Admiral Vernon, and by Such a Number of Troops as might be raised in his Majesties Colonies and Islands in America.

AND whereas the ample Encouragements his Majesty Graciously Intends to Such Levys as Shall Voluntarily Enlist Themselves in America, for the Service above mentioned, are Particularly Set forth in two Proclamations Issued by the Said Lieutenant Governour in Council Dated the Fifteenth day of April and the Twenty fourth Day of June last, as likewise the names of the officers under whose command the Said Intended Expedition is to be conducted, has already Induced a considerable Number of Voluteers to Enlist Themselves in this Colony, so in all probability a great many more will do, to Serve in an Enterprize that appears to be so well Concerted, and affords so fair a Prospect of Success.

AND for as much as only part of the Said Squadron of Ships of Warr, under the command of the Said Vice Admiral have already taken and Subdued Portabello & Chagra, blown up and Demolished all their Strong Forts & other Fortifications, and carry'd away, or made unserviceable the Cannon thereof, so it may Reasonably be Expected that when the above mentioned Convoy and Forces, Together with the American Troops are joined thereto, They will by Gods Blessing on his Majesties arms, have the like good Success against Such other considerable Spanish Settlements in the Said West Indies as they may attempt, and its Evident that Such Success would Redound to the Glory of his Majesty, and the Honour of great Britain, be a real Secerity to her Navigation in the American Seas, an additional Strength to her Southern Colonies, and a Bennefit to Her Northern ones on this Continent.

AND as all due Encouragement Should be given to Direct Importations, So a proper Distinction ought to be made on Importations which may be Attended with Frauds, as the case too often happened. BE it therefore Enacted by the authority aforesaid, That Instead of the Duty hereinbefore Layd on Slaves, there Shall be, and hereby is given to his Majesty for the use before Mentioned, a Duty of Five pounds on every Slave upwards of Four years old, that Shall be Imported by Land in the County of Albany, or in the County of Ulster, or in Dutchess County, during the Continuance of this Act, under the Inspections Regulations and Restrictions herein after Mentioned, to wit

the Remaining Twenty Shillings, He may retain for his Trouble therein, And the Said Treasurer is for every Slave he so receives the Said Four pounds of, To Send with the Like Expedition to the Persons who Remitted the Money to him, a Certificate for Such Slave under his hand in the Form herein before prescribed, which Certificate is to be Exchanged for that which was given in the County, and the Latter to be Cancelled.

And Such of the before named Persons, as Shall omit or Neglect to give Such account, or make Such Remittance to the Treasurer as aforesaid, Shall Forfeit the Sum of Ten pounds, for every Such omission or neglect.

AND be it Enacted by the Same Authority, That all Slaves Imported by Land into any of the Counties aforesaid, as Shall not be Reported in the manner before Mentioned, & within the Time hereby Limitted for that Purpose Shall be Forfeited. And all the Said Forfeiture Shall & may be Recovered by any Person or Persons in any Court of Record; one half whereof is to be Payd to the Treasurer towards the Support of this Government, & the other half to him or them that Shall sue for & Prosecute the Same to Effect.

AND whereas it is Evident that the allowing of a Draw back on Wine Exported in time, will very much Encourage the Importing a much Larger quantity of it than is Required for the consumption of this Colony. And as the Same is chiefly purchased with the produce of this Country it is not less Evident that the more Wine is Imported, So it will afford the Greater Vent of our Country Produce, Encrease our Trade & Navigation, Enable the Merchants to Supply other parts when their markets Encourage it, and at the Same time, Rather augment than Lessen the amount of the Duty now Imposed on it.

BE It therefore Enacted by the authority aforesaid, That if any of the Wines to be Imported in this Colony from the commencement of this Act & during its continuance, Shall Bond Fide be Exported to any Place or Places beyond Sea (the Colonies of Connecticut & New Jersey excepted) within Six Months after its Importation, there Shall be Drawn back out of the Duty Paid or Secured to be Paid for the Same, the Sum of Twenty Shillings for every Pipe of wine filled up, that Shall be so Exported, under the Restrictions & Regulations herein after Provided & Directed.

Affirm that the Wines Entered for Exportation are Intended to be Transported beyond Sea Exclusive of the Colonies of Connecticut & New Jersey, and are not Intended to be Relanded in this Colony, and that in case, he or She Shall thereafter, know or Suspect Such Wines to be Relanded, or Intended to be Relanded in this Colony, He or She Shall Immediately give notice thereof unto the Said Treasurer, and in the first Blank above is to be Inserted the name of the Ship or Vessel in which Such Wines were Imported, in the Second blank the name of the Master of Such Ship or Vessel, in the third the Day of the Month, and in the last the month & year.

BE it further Enacted by the Same Authority, that when an Exporter of Wine, Shall have proceeded in the manner before Directed, and that Such Wine is actually put on board of the Vessel in which the Same is Intended to be Exported, Such Exporter is then to make oath or an affirmation (if a Quaker) of the Exact number of Filled up Pipes of Wine so put on board by him or Her, as Likewise of the names of the Master, the Vessel, & of the Place or Port She is bound to, After which the Said Treasurer is to put Such oath or affirmation on a File, or Enter in a Book, as well for his own Justification, as to be made use of if any Indirect Practices Should be committed

AND be it further Enacted by the Authority aforesaid, That if Wine for which the Said Drawback Shall be allowed, Should be reimported the Importer thereof, Shall duly Enter the Same before the Landing thereof to the Treasurer, and Pay back to him, within Ten days after Such Importation the Drawback which Shall have been allowed for the Same at its Exportation. But if Such Wine Should be relanded in a Clandestine or Fraudulent manner the Same Shall be Forfeited, and if Such Fraudulent Relanding Should be committed by the Person who had or was to have the Benefit of the Said Drawback thereof, or by his or her Order, He or She Shall more over, Forfeit Double the Value of Such Wine, And the Said Forfeitures Shall & may be recovered in any Court of Record within this Colony, by Bill Plaintiff or Information, wherein no Essoyne, Wager of Law, or more than one Imparllance Shall be Allowed; one third of which Forfeitures is to Pay to the Treasurer to & for the Support of this Government, one other third to the Governour or Commander in chief for the time being, and the remaining Third, to the Person or Persons, who Shall Sue

for & Prosecute the Same to Effect. And of all the Draw Back which shall by virtue of this Act be remitted or Payd by the Treasurer, he is to keep a Particular account, and to Render the Same on oath as his other Accounts are herein after Directed to be Rendered by him.

BE it further Enacted by the Authority aforesaid, That the Duty hereby Imposed on Rum, Brandy, and other Distilled Liqueurs, as likewise on Shrub or any other Liqueurs of which the Greater part is Distilled Liqueurs, Imported in the City of New York, during the continuance of this Act, shall be Calculated from the accounts which the Said Guager shall render to the Treasurer of the net contents thereof, and the said Guager is hereby obliged & Required to deliver Such accounts to the Said Treasurer from time to time, mentioning the names of the Vessell, Master & Importer of Such Liqueurs within Fourteen Days next after he shall have Guaged the respective Parcels thereof, and in Such Guaging, He is to do Justice between the King & the Importer, according to the best of his Skill & understanding.

AND WHEREAS Masters or Commanders often have Some Remains of Wine, Rum or other Distilled Liqueurs left, of their Sea Store, when They arrive in this Port, which ought to be Duty Free, if the quantity is but Small Be it Enacted by the Same Authority, That if Such Remaining Sea Store, doth not Exceed the quantity of Ten Gallons of Wine, or Ten Gallons of Rum, or other Distilled Liqueurs, the Same shall Pass Free of Duty, But for what Such Stores Exceed the Said Quantities, Duty shall be Payd according to this Act.

BE it further Enacted by the authority aforesaid, That all Persons, Importing, Cocoa during the continuance of this Act, shall Enter the Same with the Treasurer of this Colony before its being Landed, and at the Same time to produce unto him, the Invoice or Invoices thereof, and if the Same doth thereby appear to be in English Weight, the Tare of the Cask, or thing Containing it, is only to be Deducted. But if it so appears, to be in Dutch Weight, the Tare of the thing containing, is first to be Deducted, and of the Remainder Duty is to be Payd for every one Hundred & four pound Dutch Weight, as of one Hundred & Twelve pounds; and in that Proportion for a Greater or Lesser quantity And all Such Parcell and Parcels of Cocoa, where of no Invoices is or are Produced are to be Weighed at the Sole Charge of the Importer or the Person

Entering the Same; and where Invoices are Produced, the Person Producing the Same is to make oath or an affirmation, (if a Quaker,) to the Said Treasurer That Such Invoice is Real & True to the best of his Knowledge and belief Otherwise the Cocon is to be weighed at the Sole Charge of the Person Importing or Entering the Same in manner as aforesaid.

Sustained, by reason of his or their wrongfull Vexation, in Defence of Such action or actions, for which the Defendant or Defendants Shall have like Remedy, as in other Cases where Costs are given or allowed to Defendants.

AND Whereas the Six Nations of Indians have often as well in their Publick Treaties as otherwise, desired that no Rum might be carryed to their Country, by reason it makes their young Men unruly, and prevents their going to Hunt for Beaver, and it being Justly apprehended, that the carrying Strong Liquors among Them for Sale, may one time or other be attended with very Pernitious consequences. THE TWENTY-SECOND ASSEMBLY

Sixth Session.

(Begun Apr. 14, 1741, 15 George II. George Clarke, Lieut. Governor.)

[CHAPTER 707.]

[Chapter 707 of Livingston & Smith and Van Schnack, where the title only is printed.]

An Act for the better Fortifying of this Colony and other the Purposes therein Mentioned.

(Passed, June 13, 1741.)

WHEREAS the great Number of Cannon, and the Large quantity of other Stores of Warr which his Majesty has Graciously been pleased to order for the use of this Colony, do's of the one hand Excite our Real & gratefull acknowledgement of his Royal care for our Security & Defence, and of the other hand, affords Strong apprehensions, That a Rapture is like to happen with a Power more Capable, to annoy this Colony, than that with which his Majesty is in Actual Warr at present.

AND whereas the General Assembly conceives it highly Necessary, more Especially for the reasons Aforesaid, to put the Colony in a better Posture of Defence for its Security in all Events, by amending our Present Fortifications, and Erecting New Batteries & Platforms on which the Said Cannon may be Placed, for the Purpose they are Intended; and at the Same time to Erect Such Buildings as are more Immediately wanting in stead of those which lately had the Misfortune to be Burnt down in Fort George.

But as the Difficult Circumstances of the Colony, added to the Great and General Loss which the Inhabitants thereof have Sustained During the Late Extraordinary Severe and Long

Winter, make the Said Colony, (how much Soever they have at heart to accomplish the Several matters aforesaid,) altogether unable to perform, Unless it be done by the means and in the manner herein after Mentioned.

THE Said Assembly do therefore humbly pray that it may be Enacted and be it Enacted by his Honour the Lieutenant Governour, the Council and the General Assembly, and it is hereby Enacted by the Authority of the Same That to and for the Purposes herein after Mentioned, and to & for no other use or purpose whatever, one Act of General Assembly, intituled an Act to Lay a Duty of Tonage on the Vessells and for the time therein Mentioned passed in the Eighth year of his present Majesties Reign and by a Subsequent Act continued of Force until the first Day of July which will be in the year one Thousand Seven Hundred & Forty four, Shall be, and hereby is further continued to be & Remain of Force, and every article matter and thing contained therein, until the first Day of July, which will be in the year, one Thousand Seven Hundred and Fifty one.

AND whereas the Secretarys office (as well as Several other Statelv Buildings in his Majestys Fort George in the City of New York) has lately been consumed & Burnt down by a very dreadful Fire, and it being highly necessary to build Such another office in a more convenient Place and Form, Less liable to the like accident, as well to Reposite & preserve the Publick Records of this Colony in, as for Transacting the publick affairs which properly appertain to the Said office. BE it Enacted by the Authority aforesaid, That there Shall be allowed and that there Shall be paid by the Treasurer of this Colony out of the Funds herein after Mentioned, the Sum of Two Hundred & Sixty Pounds, for Building Compleating and Finishing in Such part of the East Ward Side of the Garden adjoining to the Said Fort, as the Lieutenant Governour or Commander IN Chief for the time being, Shall approve of, a New Secretarys office, not Less than Forty two feet Long, Twenty Feet wide, and one Story of Ten feet high, with a Chimney in the Middle arched with Iron and Bricks fit for two Fire Places, and the Heams to be not Less than nine Inches by Seven, at a proper Distance fit for Ceiling.

AND whereas John Roosevelt Esq'r has offered & undertaken to Erect Such a Structure as aforesaid, and to Pro-

vide at his own Proper Cost all Manner of Materials & Workmanship, not only for Building it, but likewise to Partition the Same into Two Rooms and an Entry, and to make a writing Desk and Benches in each of Them, as likewise a Sufficient number of Shelves with Drawers or Boxes between Them, as well to put Publick Papers in, as to Remove them Speedily without Loss in Case of Accidents; also to put Four Sashes of good Glass with Shutters in the two Rooms and a proper Light over the Door, if Judged needfull; Ceader Gutters all round the Building of which the Front one is to be a Cornish Gutter; and Trunks to convey the Rain Water into the Street; to Paint all the Wood Work, without and within in the usual manner, to Cover the Roof with Pantiles or Shingles, to Lay the hearths with one Row of Bristol Stones, and the back part with Bricks on their Edge; and in General to Furnish all necessary Iron Work Locks & Hindges, and to Finish both the outside and the Inside workman Like to the Turning of the Key, in such manner as Shall be Directed & Approved of by the Said Lieutenant Governour or Commander in Chief for the time being, and the present Members of the General Assembly, for the City & County of New York, or the Members thereof for the time being, or the Major part of Them; Excepting nevertheless, that he Shall have the Liberty to make use of so many of the Bricks of the Ruins of the old Building in the Said Fort as are proper or Necessary for Building of the Said office. And an agreement being accordingly concluded between him and the Said General Assembly, Be it Enacted by the Authority aforesaid, That the Said Contract Shall be and hereby is Confirmed, and that upon the Performance of Mr Roosevelts part thereof, there Shall be paid to him by the Treasurer of this Colony the above Mentioned Sum of Two hundred and Sixty Pounds in manner following, That is to Say, one third thereof when the Foundation is carry'd to the height of the Ground Floor; one other third when the Roof is cover'd, and the Remaining Third when all is Finish'd in manner as aforesaid, to be Certify'd under the hands of the Said Lieutenant Governour and the Said Members or the greater Number of Them.

BE It Enacted by the authority aforesaid, that before any Part of the Sum above Mentioned Shall be Paid to the Said Mr. Roosevelt, He and two Sufficient Sureties, Shall Enter into the following Recognizance to our Sovereign Lord the King

his Heirs and Successors, before one of the Justices of the Supreme Court; That is to say, Himself in the Sum of Two Hundred & Sixty pounds, and each of the Surety's in half that Sum; Conditioned that he shall well and Truly build Compleat and Finish the Said Secretarys office According to the Directions and true Intent & meaning of this Act; which Recognizance Shall be Delivered by the Justice before whom its acknowledged, to the Treasurer of this Colony, and by him Lodged in the Treasury.

AND whereas by the Fire before Mentioned all the Barracks in Fort George were Likewise consumed, and it being Reasonable & Requisite to make other Suitable Conveniences, as well to accomodate his Majesty's Troops posted in this City, as for Keeping guard in, and for Housing & Securing the Small Stores of Warr which his Said Majesty has ordered for the use of this Colony.

BE it Enacted by the Authority Aforesaid, That there Shall be Erected in the West Side of Said Fort George a new Barrack of the same Length & Breadth as the old one was which stood on that Spot, of two Stories high and that it be Divided into So many Rooms & Fire places, as Shall be approved of by the Said Lieutenant Governour, or Commander in Chief for the time being; The Stories to be no higher, than between Six & Seven feet under the Beams. The partitions of the Rooms, to be one Bricks Length in thickness; every Chimney to be Arched with Iron and Bricks, and all the Hearths wide to prevent Fire, The Roof to be no Steeper than is necessary to make it Tight and to carry off Rain Water; and one or Two dormant Doors in the West Side of it for Receiving and Issuing of his Majestys Stores; and that all the Hindges and other Iron Work which is Saved of the Former Barracks, as likewise the Bricks of the Ruins in the Said Fort, Shall and may be Employed & made use of for and towards Building of the Barrack above Mentioned.

BE it Enacted by the Authority aforesaid that for & towards the Purchasing and Paying of all other Materials and Workmanship necessary to begin carry on compleat and Finish in a Substantial but plain manner the Barrack before Mentioned, There Shall be allowed, and that there Shall be paid by the Treasurer of this Colony, out of the Funds herein after Mentioned a Sum not Exceeding the Sum of Nine Hundred Pounds,

To be Employed in the manner and by the Commissioners herein after named and appointed for that Purpose.

AND whereas it is conceived that if an Enemy Should make an attempt upon this City by a naval Force, a good Battery upon and near the Flat Rock behind Fort George would very much Annoy Them, and at the Same time be able to Flank the Battery already Erected on Copay Rocks. Be it therefore Enacted by the Authority aforesaid, That a good & Proper Battery, on which about Twenty great Guns, can be mounted, Shall be Built and Erected on and near the Said Flat Rock, in Such Form as Shall be Judged most conducive for the Service it is Intended, and at a Sufficient distance from the River, That a proper Space may be Left for a Passage between Them, The Merlons to be made of Sods & of a Sufficient thickness. The floor to be plankt, and at the Inward Side a Beam or Scantling fixt to prevent the Guns from Recoiling beyond it in case of Action and that New Carriages be made for Such of the great Guns Lying in the Pasture near the Said Rock as Shall be found Serviceable & Judged Proper for that Service, Unless the Cannon does in the mean while arrive which his Majesty has been pleased to order for the use of this Colony.

BE It Enacted by the Same Authority, That for & towards Erecting the Battery and Performing all the Several Services last Mentioned and the contingencies that may attend the Same, There shall be allowed, and that there Shall be Paid by the Treasurer of this Colony, out of the Funds herein after Mentioned a Sum not Exceeding the Sum of Six Hundred pounds, to be Employed in the Manner and by the Commissioners herein after named & appointed for that purpose

And whereas It is conceived that the ground already made in the Battery on the Copay Rocks would not Afford Room enough for our People if we should have the Misfortune to be attacked by any number of Ships of War. Be it therefore Enacted by the Authority aforesaid, That there Shall be and hereby is allowed a Sum not Exceeding the Sum of one hundred and Seventy Six pounds for Filling up with Earth Sand or other proper Materials round the Inside of the Said Battery, the Space of Ten feet more than is filled up already And a Sum not Exceeding the Sum of nine pounds Twelve Shillings for amending and Repairing the Floor thereof, and to Fix at the outside of the Said Floor a Beam or Scantling, to prevent the

Guns from Recoiling beyond it in case of action, which Said Two Sums shall be Paid by the Treasurer of this Colony out of the Funds herein after Mentioned, and be Employed by the Commissioners herein after named and appointed, in Such manner as by this Act is & Shall be ordered and Directed.

AND Whereas it is further conceived that in case of Such an attack as aforesaid it would be Requisite to have Some works on the Inner part of the Battery on Copsy Rocks, as well to Clear it from an Enemy, as to Shelter our People who should be placed upon Duty there, Be it Enacted by the authority aforesaid That there Shall be Erected two proper Block Houses on the Said Battery, one at the East Side, and the other at the West Side of the Store House already Erected there; And that for Materials and Workmanship, to Build Cover & complement the Same, there Shall be and hereby is allowed a Sum not Exceeding the Sum of Fifty pounds, to be paid by the Treasurer out of the Funds herein after Mentioned, and be Employed by the Commissioners herein after named & appointed in such manner as by this Act is and Shall be ordered and Directed.

AND whereas it is likewise conceived that the great Guns on the Said Battery, as well as those Intended for a Battery on the Said Flat Rock, ought to be Proved (as they have not been made use of in a great many Years past) Least Some of Them should wound or destroy Some of our own People in time of Action, Be it therefore Enacted by the Same Authority, That there Shall be, and hereby is allowed for Powder to prove all the Guns aforesaid by Loading & Firing of Them with Such a quantity and in Such a manner as is usual upon Such Tryals, a Sum not Exceeding the Sum of one hundred & Twenty pounds; as likewise a further Sum not Exceeding the Sum of Twenty four pounds Ten Shillings, for the Cost & Charge of Removing the Said Guns to a Place proper for that Tryal, and for Replacing them to their Proper Places again: which Said two Sums, shall be paid by the Treasurer of this Colony out of the Funds herein after Mentioned, and be Employed by the Commissioners herein after named & appointed in Such manner as in this Act is, and Shall be ordered & Directed.

AND to the End due application may be made of the Money hereby allowed to and for the Several Uses & Services following, to wit, For new Barracks, For a Battery on the Flat Rock,

for filling up Ten feet more of Ground in the Battery on Copay Rocks, and amending its Floor, For two Block Houses on Said Battery, For powder to prove the Great Gun, and for Removing and Replacing Them; amounting in all to the Sum of one Thousand Eight hundred & Eighty pounds two Shillings

BE it Enacted by the authority aforesaid. That John Cruger William Roome John Roosevelt, Esq's. and Cap't Henry Row, Shall be and Hereby are appointed Commissioners for managing the Several Matters aforesaid, and fully Impowered Authorized & Required by the advice, Direction and approbation, as aforesaid, To begin, carry on, compleat & Finish the Several Works & Services above Mentioned in the Manner herein before Directed, and to procure Materials at the Cheapest Rate, and to Imploy able Workmen to perform the Same in the best & Speediest manner.

AND that the Said Commissioners may be Enabled so to do, Be it further Enacted by the Same Authority, That the Treasurer of this Colony Shall upon their application to him, Pay unto Them, the Sum of Four Hundred Pounds, and when that is Expended for the Said Services, a Like Sum of Four Hundred Pounds, and when that is so Expended the further Sum of Four Hundred Pounds and when that is so Expended the Sum of Four Hundred Pounds more, and when that is So Expended The Remaining Sum of two Hundred and Eighty pounds Two Shillings; and their Respective Receipts Shall be allowed good & Sufficient Vouchers to the Treasurer for the Same, Provided they do not in the whole Exceed the above Mentioned Sum of one Thousand Eight Hundred and Eighty Pounds two Shillings, and of the application and Disposition thereof the Said Commissioners are to keep Exact Books, and to Render True and Distinct accounts thereof upon oath, to the Lieutenant Governour or Commander in Chief for the time being, to the Council, and to the General Assembly, when by Them or any of Them thereunto Required

BE it nevertheless Enacted by the authority aforesaid. That no part of the Sum above Mentioned, Shall be paid to the Said Commissioners until They have Severally Entered into Recognizances, unto our Sovereign Lord the King his Heirs & Successors before one of the Justices of the Supreme Court, Each in the Sum of Four Hundred and Seventy Pounds, with

Two Sufficient Suretys each in half that Sum, Conditioned That he Shall and will well and Truly Apply & Employ the mony hereby Directed to be received by him, To and for the Several Buildings & other Services mentioned in this Act according to the True Intent meaning & Directions thereof; Which Recognizances are to be Delivered to the Treasurer by the Justice before whom the Same are taken in Order to be Lodged in the Treasury.

BE it further Enacted by the authority aforesaid, That if any of the before named Commissioners, Shall fail in Employing & applying the Mony to be Received by him in Pursuance of this Act, To and for the Several Uses therein Directed, or omit to observe do & Perform what is hereby further required to be observed done or Performed by him or Them; In Such case and Cases the Said Recognizances Shall be Proceeded upon in Due form of Law, against Such offender or offenders, and his or their Suretys in any Court of Record within this Colony, wherein no Essoin, Protection, Wager of Law, or more than one Imparllance Shall be Allowed; and the money to be Recovered in consequence thereof Shall be Payd into the Treasury of the Said Colony, and Applied to & for the Several Services before Mentioned.

AND that there may be no Failure in the Due Execution of this Act. Be it Enacted by the Same Authority, That if any of the before named Commissioners, Shall happen to Die, Remove out of this Colony, or refuse to Act according to the Several Powers & authority's hereby Directed & required to be done and performed by him or them, It shall and may be Lawfull to and for the Lieutenant Governour, or commander in chief for THE time being, by and with the Advice & Consent of his Majestys Council to nominate and appoint Some other fit Person or Persons to be a Commissioner or Commissioners in the Place & Stead of the Commissioner or Commissioners so Dying Removing or refusing to Act as aforesaid, any thing herein contained to the contrary notwithstanding.

AND to Encourage the Said Commissioners to perform the Several Services hereby directed & Required to be done & performed by Them. BE it Enacted by the authority aforesaid, That it Shall be Lawfull for them to Retain for their own use out of the mony herein directed to be Employed by Them, the Sum of Four pounds on every hundred pounds, They shall so Employ, and in that Proportion, for a greater or Lesser Sum

as a Reward for their care and Trouble in the Several Services hereby Required to be done and Performed by Them.

AND whereas it is conceived that in case an attempt upon this City, Should be made by a Naval Armament, a Plat Form at Dominies Hook on Hudsons River might be very Serviceable to annoy Them, Be it therefore Enacted by the Authority Aforesaid, That there shall be and hereby is Appropriated, a Sum not Exceeding the Sum, of one hundred & Twenty pounds, to remain in the Treasury to and for that use & Purpose, and to no other use or purpose whatever, But If Such an Attempt as aforesaid Should be made, and that upon such an occasion the Lieutenant Governour or Commander in Chief, for the time being, together with the Field officers of the Regiment of NEW YORK, Should under their hands Certify to the Treasurer, That it was necessary to Erect Such a Plat Form at the Place ABOVE Mentioned, The Said Treasurer is then and in Such Case to Pay the Same for that Purpose, out of the Funds herein after Mentioned unto the Field officers of the Said Regiment, who Shall be Accountable for the True disposition thereof in manner as aforesaid, and a receipt from the Said officers upon Such a Certificate as aforesaid, Shall be a good Voucher to him Provided the Same doth not Exceed the Said Sum of One hundred & Twenty Pounds.

AND whereas from the present Situation of Affairs in Europe a Rupture between his Majesty, and the French King is greatly to be apprehended For which reason the Trading House at Oswego, ought Speedily to be better Fortified, as it

affords us a Beneficial Furr Trade, chiefly in Truck for Brittlsh woollen manufactures, Endears us to the Remote Indians & confirms Our Six nations in their Dependence on the Crown of great Britain; as of the other hand, The loss of that House, would deprive us of the Said Trade, Estrange the Furr Indians, and Intimidate the Six nations in their Fidelity, If consequences more Fatal might not be dreaded, for Prevention of which, Be it Enacted by the Authority aforesaid, That at a Proper distance from the Said Trading House, a Substantial Stone Wall made with good Mortar of Lime and Sand, Shall be Erected round it, Either in a Square or Triangular Form, as the ground will best admit of, with a Bastion or Block House in each Corner to Flank the Curtians, which are to be Shingled for the accomodation of such additional Troops as may be Sent Thither to Garrison and Defend the Said House, and if the Present Well, will not be comprized by the Said Wall, another is to be made or Sunk within it, That the People may not be Exposed in getting Water
